CHINESE NEW YEAR & YEAR OF THE ROOSTER

Chinese New Year is a two week spring festival celebrated for over 5,000 years in China.

According to legend, the Lord Buddha called all the animals to him before he departed from Earth.

Only 12 animals came and as a reward, he named a year after each of them in the order that they arrived:

The Year of the Rooster, beginning January 28, will be a year to stick to the tried and true. Speculation is apt to lead to conflict and disappointment. This will be a good year to keep your eyes open and check facts and figures before moving forwards with plans.

OVER 150 YEARS IN SAN FRANCISCO

For over 150 years, San Francisco and the Bay Area have celebrated Chinese Lunar New Year in grand style.

Today, the City by the Bay's Southwest Airlines® Chinese New Year Festival and Parade attracts over 2.2 million people, making it the largest Asian event in North America, and the largest general market event in Northern California.

ONCE YOUR CONTRACT IS SIGNED...

We will work with you to develop a Chinese theme that fits your product marketing, advertising and promotion strategy.

This theme can then be used to integrate your selected float design, program ad, booth activity, and any advertising and promotion that you might do in conjunction with your sponsorship.

We ensure a “turn-key” sponsorship from start to finish.

PARADE

Your theme will provide our artist with the creative idea to design your float for your approval.

We work closely with our Parade float builder to ensure the highest quality float for you.

ADVERTISING & PROMOTION

Supply us with your logo and we'll do the rest.

A customized TV commercial script with your company's logo ID can be created for you to suit your product's marketing message.

FESTIVAL STREET FAIRS

Sponsor booths are set up with 10' x 10' canopies, table covers and chairs.

Limited parking is provided for booth staff from your company.

If you need volunteers, we will provide up to 2 volunteers for your booth at no additional cost.
